

Hello Parents,

We will be running a Launch-A-Thon for our upcoming fundraiser and wanted to answer any questions you may have to gain participation. Fundraising is vital for the success of our program, and we truly need to raise funds. The Launch-Hour has an efficient process that helps the students raise money for a successful season, while offering Coffee, Popcorn and Snacks Shipped to home back to our supporters, as our way of saying "Thank You!"

The best way you can contribute is to help your student gather 20-25 or more cell phone numbers from people who are likely to support them. (See the list below for ideas of potential supporters).

Your student will text out a fundraiser link and follow up with a phone call asking if they'd like to support. Supporter phone numbers are used for this fundraiser only and no personal information will be sold or used in any other way.

Thank you in advance for making our fundraiser a success!
