

Booster Board Meeting

December 12, 2023

Motion to open by Heather Perkins and seconded by Nathan Underwood.

Post Season: Send notes on season and how it went in our opinions.

To Do list for band:

Copy machines being replaced with \$2,000 from Mr. Stevenson and \$1,500 from the county fund from alumni payments. It will cost less than \$.01 per copy which is lower than current contracted machines. Copy costs should be covered by that fund from now on.

Big Note is fixing a lot of student and school instruments for free right now. We need to post a big shout out to them on social media as a big thank you.

Parent To do List for work days:

Hanging things

Lockers cleaned out and need new spaces for trombone cases.

Speakers on

Clean canteen.

Forms and infographics created for easier navigation for parents.

We will need more than one work day but will start with January 13th from 9:00 am-12:00 pm. Second day possibly on February 24th before select students attend MLK Parade in Cartersville?

Budget Timeline:

Fundraising-

Snap Raise- We need more sign ups. 130 students need to participate. Need to send email to parents tonight about inputting emails.

Need more lucrative fundraisers for Spring semester.

Idea for doing a combined concert on April 27th to include a mix of Taste of..., car show, craft fair with our Pops/Spring concert. Get our 8th grade parents and students involved

as well, with free admission or something similar as incentive. Mrs. Clark will ask to reserve entire campus in order to have space for all activities. Can also have sign ups for tournament games down on the field.

Rockathon- still confirming date/time details for Six Flags day.

Subscriptions:

We are spending \$2,500 annually for subscriptions to Google Suite, Canva, Charms, Jot Form, etc. We need to cancel the ones we no longer need or have free access to in other ways. Will reach out to Michelle about the cancellations.

We are also going to be moving to Cut Time from Charms within the next few months. Should be a fairly smooth transition.

LGPE- Details to be discussed at next meeting.

Jazz Band- Wednesday rehearsals after school.

Jazz LGPE- at Cartersville HS this year.

Percussion Ensemble- Practices coming up with a possible field trip to a performance.

Band Banquet- Jeremy will have details on that next meeting.

Uniforms need to be replaced in about 3 years so the budget will need to be worked up for that expense. Also needed, repairs on current uniforms in order to make them last that long.

Motion to adjourn by Nathan Underwood and seconded by Heather Perkins.
