## **New Business-**

LGPE- We still need some adult volunteers for concessions and stage crew to be there with the student volunteers. We have 68 bands coming over the course of the week, and we want to make sure everything runs smoothly.

Band Banquet- PAC is not available for original date so we need to pick a new date for banquet and awards.

Rockathon @ Six Flags- Will be on May 4<sup>th</sup>. Student must be caught up on dues and have raised \$125+ or pay \$125 before attending. We are still working out details on transportation.

Arts on the Rock- April 27<sup>th</sup>. It will include all the Fine Arts departments with each one being responsible for a portion of the day's activities. The band will be doing a car show and food trucks. Online registration will be available for both throughout the month. We already have 2 food trucks confirmed, but plenty of space for more. Funds from parking will be shared between all departments as will volunteer shifts so parents can watch their student perform.

Elections- Candidates will have the opportunity to speak at our April meeting on 4/9/24 for their positions and voting will take place at our May meeting on 5/2/24.
