

Booster Meeting Minutes

November 2, 2023

(Board Pre-meeting notes)

Call to open by Heather Perkins and seconded by Micki Carlson.

New Business:

Christmas Parade- Pizza for the students before the parade. Tabernacle Baptist church has offered the use of their fellowship hall to eat starting at 4:15. We could leave the school by 4:00 to get to the church and unload by 4:15. Board can serve dinner, ride the bus, and walk in parade. We are trying to get a spot further ahead in the parade line by getting there earlier than years prior. We are also looking for donations to cover pizza.

Concession- Income from the season was \$15,000 with an expense of \$7,000 leaving a profit of \$8,000. There is a need for a new fryer for next year.

New Chairpersons- Still no volunteer chair set up yet. Uniforms will be taken over by Traci and Nathan Davis who have already started this year when Mrs. Bergman left. They stated we will need new parts for the shakos and possibly explore different options for cleaning the uniforms (i.e. Sponsor for dry cleaning with a spot for said sponsor on a banner, or each student cleaning their own uniform.)

Fundraisers- There are still discount cards left and will be sold before the concerts coming up. Candle sales end tomorrow and Honey Baked Ham ends the Friday before Thanksgiving.

Snap Raise starts the Monday after Thanksgiving and goes until December.

Veteran's Day Concert- November 7th at 7:00. Includes all Fine Arts departments.

Winter Concert- Will have Silent Auction again this year. We have permission at County level for the 50/50 raffle. Collecting donations for auction now. Ideas for each section to put together a basket for the auction as well.

Winterguard- SAPA dues are \$700 and are needed soon. We have a good number of interested students and hope it will help grow our guard for next band season.

Jazz Band- Starting next week. They will also be working toward Jazz LGPE and more for performances.

Motion to accept pre-meeting by Cindy Gravely and seconded by CJ Martin.
