New Business-

Rockathon- Plans for Six Flags in the Spring, but a date still needs to be set.

Show Shirts- Mostly long-sleeved and hoodies left. Show shirts are required for chaperones at the competitions.

First Competition this weekend at West Forsyth. Schedule is up for students and chaperones.

Volunteers needed!! We are also in need of chairpersons for Volunteers, Hospitality and Uniforms to start shadowing and learning for next year!

Calhoun game 10/13- There's limited space for parking the trailers and buses so students will perform without props.

Trick or treat night after practice on October 26. Parents will set up tables and let students come by after they put away instruments.

Senior Night- October 27th. There will be a reception for Seniors and families before the game. Seniors and escorts will be honored before kickoff with football and cheer, then receive their Senior gifts.

Fundraising- discount cards starting this month and selling for \$20 each until the 23rd. Candle fundraiser starting next month. There will also be a silent auction during the Winter concert. We will begin collecting donations for the auction soon. More ideas for the auction included a raffle for conducting Sleigh Ride, meals with the directors, and themed baskets for each section.

Old Business-

8th Grade night- Went very well! The kids and parents really enjoyed themselves and we have gotten great reviews back from them. Mrs. Clark mentioned that the band needs to have a presence at the Magnet Open House and we need to keep reaching out to the 8th graders throughout the rest of the year.

Bartow County Marching Exhibition- went very well and everyone performed great!

Motion to accept new and old business by Kristy Underwood and seconded by Heather Perkins.

Mrs. Clark-

Thanked everyone for helping this season and mentioned that without parents volunteering, the marching season wouldn't work. She talked about the schedules for the competitions over the next several weeks. The students will also be required to walk in 2's more often for safety and to look more collected as a band. Students will also be allowed to bring their garment bags to the competitions for their uniforms to allow them to eat snacks and drinks and to ensure each uniform stays clean and fresh for performing.

Motion to close by Micki Carlson and seconded by Heather Perkins
