WHO WE ARE

The Woodland High School Band Program is the largest student organization on campus. Students in the Woodland Band Program represent the largest number of students in the Medical Science Magnet Program and the highest overall GPA.

Our students have traveled the world and received awards and accolades across the United States. The tradition of excellence on and off the field, as well as on the stage, continues to take our students #everonwardandupward.

WHY SUPPORT US

School-aged children who play music do better in school and in life

and teens see music as their "social glue" and as a bridge for building acceptance and tolerance for people of different ages and cultural backgrounds.

Joining a musical group at any age encourages healthy relationships

with new kinds of people. It also builds skills in leadership and team-building, as well as showing you the rewards of working with others.

Playing an instrument gives a sense of achievement and purpose

Playing and succeeding at a musical instrument gives you a huge sense of pride and achievement.

HOW YOUR SUPPORT BENEFITS STUDENTS

Professional Instruction
Specialized instruction by a team of world-class educators amplifying the work being done in the classroom.

Instruments, Repair and Maintenance
Our instrument inventory is large and difficult to maintain. As the value depreciates, we must look to costly replacements and new purchases.

Uniforms, Equipment and Props
In order for the band to look and sound fantastic, WBBA must provide uniforms, costumes, and a number of additional items to elevate the appeal of our programs.

Transportation, Registration Costs and Other Related Expenses
The cost of providing these rich opportunities for our students has climbed significantly. With your assistance we can provide equitable access to the students in the Woodland Band family.
